

ArcTime

TAKE YOUR TIMECARDS TO THE NEXT LEVEL!

FEATURES & BENEFITS

Optimize your employee work hours with ArcTime, an intuitive, online tool to help your business track and manage employee time, activity, and productivity.

SUBMIT & APPROVE

Quickly and easily submit, review, and approve employee work hours, PTO, and overtime.

INCREASE EMPLOYEE PRODUCTIVITY

Save time and increase employee productivity with convenient clock in/out through an easy-to-use, online interface.

ATTENDANCE TRACKING

Effortlessly manage employee PTO requests and attendance with real-time updates and flexible user-level permissions.

REMOTE TIME TRACKING

Track employee hours remotely and accurately with automatic recording and display for time-spent and time-off data.
